

Weekly Essay #5 Rubric: Dakota Texts Name:

Ways the writing meets or exceeds expectations	Expectation	Ways the writing needs to improve
	Analysis of Rhetorical Strategies: Writing correctly identifies three rhetorical strategies at work in the arguments and analyzes how those elements are used in each of the three texts considered. There is a clear thesis that makes a statement about which of the texts are most effective. This thesis is supported throughout the essay.	
	Evidence and Explanations: Writing contains well-chosen examples from the text to support the analysis. All three texts are used and it is made clear how one text uses the rhetorical device more effectively. There is an attempt to clearly analyze how each rhetorical strategy is used by the author of the text.	
	Clarity: The essay has few mechanical and grammatical errors. It shows evidence of pre-writing and thought. Writing avoids repetition and uses solid vocabulary.
